

K-8 Art Enrichment

Join us for an Art Enrichment program after School!

“The artist is not a special kind of person; rather each person is a special kind of artist.”

-Ananda Coomaraswamy

This fun-filled art enrichment program is offered to all students at ACS. We will be exploring a variety of art mediums through open-ended creativity and hands-on art making experiences including painting, watercolor, sculpture, clay, drawing, and mixed media collages! Setting up creative spaces fosters original thinking, feeds the imagination, and empowers our children to take risks!

My name is Karly Hedgecock and I am an associate teacher at Assumption ECLC. I graduated from the University of North Florida with a Fine Arts Degree in Painting, Drawing, and Printmaking. This is my second year as the Art Enrichment teacher at the ECLC. I look forward to meeting you!

The Tuesday Spring session will run from January 23rd- March 27th.

The Thursday Spring session will run from January 25th- March 29th.

Enrollment will be capped at 8-10 students. A small class size ensures that every student is receiving the proper guidance and attention for each session. I will hold a class on Thursdays if all the spots fill up.

The fee for the Spring session is \$300 (10 classes @ \$25 plus \$50 supply fee) Please make checks payable to Karly Hedgecock.
