# Aftercare Enrichment Information

## 2017-2018

We are pleased to be able to offer Aftercare Enrichment opportunities for your children. This semester we are offering the following:

- **Awesome Art** – This class is offered by Karly Hedgecock. She will provide a fun-filled art program working with all kinds of different medium.
- **After School Homework Help** – This is offered by Jessica Polster. She will provide tutoring sessions. During the sessions, students could work on homework and have a certified teacher available to help and answer any questions. Or the student could receive help in an area in which they may struggle.
- **Dance/Movement/Tumbling by Studio K** - This class is offered by Niki Stokes. She will provide a fun learning environment in which the students will be exposed to various physical activities which will get them moving.
- **Hand bells and/or Piano** – These sessions are offered by Erin Barnes. She will teach the students the art of making music with hand bells or teach them piano. Let you and your children choose hand bells, piano or maybe both.

**Payment:** Charges for the Enrichment sessions are paid directly to the person offering the session.

**When the session starts:** For sessions that start before 3:15, the teacher will pick up the students in their classroom.

For sessions that start later than 3:15pm, students will be picked up by their teacher in the aftercare office. The student may be dropped off in the aftercare office 5 minutes prior to their scheduled class, if not attending aftercare. If they are attending aftercare, normal aftercare charges would apply.

All drop off and pick up of students will be done in the aftercare office.

**When the session ends:** Students will be picked up by their parent/guardian in the aftercare office. If a student remains in the aftercare office longer than 10 minutes after their session ends, then they will be logged into aftercare and normal aftercare charges would apply.

If you have any questions about a particular program, please contact the teacher offering the class.

If you have any questions about drop off, pick up or aftercare, please contact Michelle Bedoya (904) 401-9030 or Meg Viggiani (904) 607-8999.
